Consent Form

I, the undersigned, grant permission to the National Research Council Canada (NRC) to publish, copyright, distribute and/or display photographic or videographic images of me for publication in journals, brochures, magazines, presentations, Web sites and multimedia productions. Such images may be reproduced electronically, alone or in composites.

These images are for the purpose of illustrating scientific research and development or related activities and may be used by the NRC or its assigns.

These images are not for sale and will be used only by NRC or other agencies working in concert with NRC.
