| Report Grand Totals: | | 498 | \$239,678,318 |

These grants were approved by Governing Council, however some may require final approval from the Stem Cell Oversight Committee before funds can be released.

Some grants are not paid through the Common Grant Account; rather they are made directly to recipient institutions.

There may be some Institutions appearing on this list that have not yet become eligible to manage CIHR funds.

This report displays affiliates grouped within Institutions where applications are approved. Institutions where the # approved or total \$ approved does not appear will remain displayed on the report for the purpose of grouping the affiliates; however the Institutions either did not have applications submitted or approved in the competition.

Ces subventions ont reçu l'approbation du conseil administratif, mais certaines d'entre elles pourraient nécessiter l'approbation définitive du comité d'évaluation de la recherche sur les cellules souches. Certaines subventions ne sont pas payées par l'entremise du compte commun de subventions; elles sont plutôt payées directement aux établissements bénéficiaires.

Il peut y avoir des établissements apparaissant sur cette liste qui ne sont pas encore éligibles à gérer les fonds des IRSC.

Ce rapport montre les affiliés groupés par établissements dans lesquels les demandes ont été approuvées. Pour les établissements dont le # approuvé ou le \$ total approuvé n'apparaît pas vont quand même demeurer sur le rapport dans le but de grouper les établissements affiliés; toutefois pour ces dernières aucune demandes n'ont été soumises ou approuvées dans le concours.
