INSTRUCTIONS

1

Personal Information

NAME TO APPEAR IN PASSPORT

Write the name you want to appear in the passport. If this name is different from the name on your documentary evidence of citizenship, the original of the documentation listed below may be required:

- Marriage certificate
- Legal change of name (original document from issuing authority).

Additional documentation will be required to verify your identity as well as the name to appear in the passport (*see instruction No. 5 "Documents to Support Identity"*).

SURNAME AT BIRTH/FORMER SURNAME

Complete only if different from the surname to appear in the passport (for Passport Canada information only; will not appear in the passport).

ADDING A SPOUSAL SURNAME TO A VALID PASSPORT

Your spouse's surname may be added to a valid passport provided the passport was issued in your surname at birth and the change in status (e.g. marriage, common-law relationship) occurred after the issuance of the passport. A marriage certificate or additional documentation will be required. The fee for this service is CAN\$12.

PLACE OF BIRTH

Your place of birth must be provided on the application form. If you do not wish the place of birth to appear in the passport, submit a written request. Be sure to contact the consulate or embassy of every country you plan to visit to ensure that you will be admitted if the passport does not include your place of birth.

SIGNATURE

You **MUST** sign your usual signature on all **THREE** pages. Your signature **MUST NOT** exceed the inner limits of the signature box.

2

Declaration of Guarantor

A guarantor is a person who confirms your identity. Your guarantor must perform **free of charge** the following **THREE** tasks:

1. Certify the information on your application form by completing and signing the "Declaration of Guarantor" section;
2. Write on the back of **ONE** of your photos, "I certify this to be a true likeness of (*your name*)" and sign;
3. Sign and date the photocopy of your supplementary documentation (*see instruction No. 5 "Documents to Support Identity"*).

Your guarantor must:

- be a citizen of Canada or the USA and must be accessible to Passport Canada for verification;
- have known you personally for at least **TWO** years and well enough to be confident that the statements you have made in your application form are true;
- sign the "Declaration of Guarantor" section on your application form;
- sign the statement on the back of **ONE** of your photos; and
- be included in **ONE** of the following groups:
 - dentist, medical doctor or chiropractor
 - lawyer
 - notary public (notarial seal must appear on the application form)
 - pharmacist
 - police officer, judge, magistrate
 - signing officer of a bank or trust company, or of a financial institution that offers the full range of banking services (cash withdrawals, deposits and savings)
 - veterinarian.

The list above is not a recognition or endorsement by Passport Canada of professional status or superior qualifications.

If you have **not known** an eligible guarantor for at least **TWO** years, complete a "Statutory Declaration in Lieu of Guarantor" form PPTC 132, available from any Canadian government office in the USA. This form must be completed at your expense before a person authorized by law to administer an oath or solemn affirmation. **This may delay the processing time of the passport.**

3

Previous Canadian Passport

- Enclose any Canadian passport or travel document issued to you within the last **FIVE** years.
- A person's name may appear in only **ONE** valid Canadian passport, Certificate of Identity or Travel Document.
- If the valid passport has been lost, stolen, damaged, destroyed or is inaccessible, complete a "Statutory Declaration" form PPTC 203, available from any Canadian government office in the USA.

4

Proof of Canadian Citizenship

Provide **ONE** of the documents listed in section 4 of the application form (copies or notarized copies are not accepted). It will be returned to you with the passport. Additional information may be requested to confirm your citizenship. If you are a woman who, before 1947, married a man who was not a British subject, contact Passport Canada.

CERTIFICATE OF BIRTH IN CANADA

You may obtain a birth certificate from the Vital Statistics authorities of your province or territory of birth.

If you were born in Quebec

Only birth certificates issued on or after January 1, 1994, by *Le Directeur de l'état civil* in the province of Quebec are accepted.

CERTIFICATE OF CANADIAN CITIZENSHIP

Large commemorative documents of citizenship issued after February 14, 1977, are **not** accepted. If you require a Certificate of Canadian Citizenship, contact the nearest Canadian government office. You may also visit the Citizenship and Immigration Canada Web site at www.cic.gc.ca.

5

Documents to Support Identity

At least **ONE** document to support your identity and the name to appear in the passport must be submitted with your application form. Further documentation may be required.

Supplementary documentation must be valid, must be issued by a federal, provincial/state or municipal authority, and must include the bearer's name and signature. For example:

- Valid Canadian passport or Canadian passport expired for a period of less than one year
- Provincial health care card
- Old Age Security card
- Non-Drivers License
- Other provincial/state identification card
- Alien Registration Card
- Provincial/state driver's licence
- Military identification
- Other federal Identification card
- Certificate of Indian Status
- Federal, provincial/state or municipal employee identification card.

Your guarantor must sign and date the photocopies of the documents (*both sides*) you are submitting to indicate the originals have been seen.

If you are using form PPTC 132, "Statutory Declaration in Lieu of Guarantor", the same official who signs the "Declaration" must also sign and date the photocopies of your identification to indicate the originals have been seen. Helpful Tips for Completing Your Passport Application

To avoid delays in the processing of your passport application, pay special attention to the following 12 areas:

1. Photos

The finished photos must have a white or light-coloured background, and be free of shadows on the face or background. You must have a neutral expression. Your photographer may consult www.passportcanada.gc.ca to access the specifications.

2. Proof of citizenship (*original document only*)

Your original birth certificate or citizenship certificate/card (*not a copy*) must be submitted. If you were born in the province of Quebec, only birth certificates issued on or after January 1, 1994, by *Le Directeur de l'état civil* are accepted.

3. Complete citizenship information

All applicants must complete the question:

"Did you acquire citizenship of another country...?"

See the application form; section 4.

4. Fees

Submit the correct fee. Fill out the credit card information, or send a certified cheque or an international money order in **Canadian funds** only.

5. Choose an eligible guarantor

Your guarantor must be from an approved occupational group as listed in General Information; instruction #2. Retired guarantors are not eligible unless still registered in their professional association listing of active members.

6. Complete your application before your guarantor signs it.

The guarantor must certify to the best of his or her knowledge and belief the information on the form. Make sure your guarantor signs the declaration on the form and writes your name on the back of one of the photos and signs it as well as copies of your supporting identification.

7. Provide supporting identification (ID)

Provide a copy (*both sides*) of a valid government issued ID with your name and signature. The copy must be signed and dated by your guarantor.

8. References

Your guarantor should not be used as a reference. Relatives should not be used as references. A friend or co-worker is best.

9. Submit any valid passport or travel document

If your passport is still valid when you apply, you must submit it. Any travel document issued in the last five years must be submitted. If your passport has expired, you do not need to submit it.

10. To use your spousal name

If you want the passport in your spousal name, you must complete the requested information about your marriage.

See the application form; section 1; line 4.

11. Complete and sign all three pages

You must sign with your usual signature in the three signature blocks provided (one signature per page). Your signature must not touch the border. If the signature touches the border on page one of the application, it may be rejected and a new signature will be required which will incur delays.

12. Additional personal information

Indicate your mother's surname when she was born (mother's maiden name).

See the application form, last page; first block.
