PRECAUTIONS

1. **KEEP OUT OF REACH OF CHILDREN.**
2. Harmful if swallowed or absorbed through the skin.
3. Avoid contact with skin, eyes, and clothing.
4. Thaw if frozen. Shake before use.

If this pest control product is to be used on a commodity that may be exported to the U.S. and you require information on acceptable residue levels in the U.S., visit CropLife Canada's web site at www.croplife.ca.

FIRST AID INSTRUCTIONS

IN CASE OF SKIN CONTACT: Wash with plenty of soap and water.

IN CASE OF EYE CONTACT: Flush with plenty of water for at least 15 minutes. Contact a physician or poison control centre IMMEDIATELY.

IF SWALLOWED: Contact a physician or poison control centre IMMEDIATELY. Take container, label and/or product name with you when seeking medical attention.

IF INHALED: Remove person to fresh air. Assist breathing if necessary. Contact a physician or poison control centre IMMEDIATELY.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

DISPOSAL

Do not reuse this container for any purpose. This is a recyclable container, and container disposal must be in accordance with the container disposal agreement entered into at the time of import for own use certificate application. Contact your local distributor/dealer or municipality for the location of the nearest collection site. Before taking the container to the collection site:

1. Remove the cap and paper brochure or leaflet.
2. Triple- or pressure-rinse the empty container. Add the rinsings to spray mixture in the tank.
3. Make the empty, rinsed container unsuitable for further use.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

STORAGE

1. Store **Banvel II** in its original container only, away from other pesticides, fertilizer, food, or feed.
2. Keep the container closed to prevent spills and contamination.
3. Keep packages dry at all times.

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
