Ms. Diane Rhéaume
Secretary-General
Canadian Radio-television
and Telecommunications Commission
Ottawa, ON K1A 0N2

Dear Ms. Rhéaume:

By Broadcasting Decision CRTC 2005-199 the Commission amended the broadcasting licences of the following specialty services owned by Corus Entertainment Inc. and its subsidiaries:

- YTV
- Treehouse TV
- W Network
- CMT
- The Canadian Documentary Channel
- Scream
- Discovery Kids

The licences were amended in order for the services to avail themselves of the incentive program outlined in *Incentives for English-language Canadian television drama*, Broadcasting Public Notice CRTC 2004-93. This notice requires that each licensee participating in the program must file an annual report with the Commission by November 30, 2005. This letter is to inform you that in the 2005 broadcast year, none of the above-noted services availed themselves of the incentive program.

Yours truly,

Ruth Schreier
