RE: *United Nations Al-Qaida and Taliban Regulations (UNAQTR)* – Amendments to Identifying Information

In a Press Release dated July 6, 2007 and published on its Web site on July 9, the United Nations Security Council (UNSC) announced that, on July 2, the Al-Qaida and Taliban Sanctions Committee approved amendments to the identifying information relating to sixteen individuals already listed. These amendments include the addition of approximately seventy aliases. Furthermore, on July 3, the UNSC approved amendments with respect to one individual; however, a press release has yet to be posted on the UNSC's Web site.

These changes will require significant updates to the tables posted on OSFI's Web site. We expect to post the revised tables by the middle of this week. In the interim, we are bringing these amendments to your attention.

Details of the July 6 UNSC press release announcing the changes made on July 2 can be viewed using the following link:

OSFI will notify you as soon as the tables on the OSFI Web site have been updated to incorporate these amendments.

The UNAQTR require every Canadian financial institution and foreign branch operating in Canada to review its records on a continuing basis for the names of persons or organizations covered by the UNAQTR and report its findings on a monthly basis to the relevant regulator, which, in the case of federally regulated financial institutions, is the Office of the Superintendent of Financial Institutions (OSFI).

If institutions discover they are holding accounts for, or contracts with, persons or organizations covered by the UNSTR, they are required to report such information to both the RCMP and CSIS immediately. Information may be provided to these organizations as follows:

RCMP Anti-terrorist Financing Group Unclassified fax: (613)949-3113	CSIS Financing Unit Unclassified fax: (613) 231-0266
--	---

In addition, institutions reporting to the RCMP and CSIS that are also reporting entities under the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* are reminded that they are required to submit Terrorist Property Reports to the Financial Transactions and Reports Analysis Centre of Canada (FINTRAC). For instructions related to the preparation and submission of this report, reporting entities should visit the FINTRAC Web site at http://www.fintrac.gc.ca/publications/guide/Guide5/5_e.asp.

If you require assistance fulfilling your reporting requirements or would like to receive hard copies of the letters, list or reporting form, please contact OSFI by e-mail: extcomm@osfi-bsif.gc.ca.

As always, OSFI expects federally regulated financial institutions to observe the relevant laws and regulations of all jurisdictions in which they operate.

We thank you for your continuing cooperation.
