FUNDING IN BRITISH COLUMBIA, 1998-99 and 1999-2000

- In 1999-2000, the Canada Council for the Arts provided grants worth **\$14.4 million** to the arts in British Columbia. This is an increase of 3.8% from the previous year; in 1998-1999, grants awarded totaled **\$13.9 million**.
- In addition to grants, almost **\$1,045,338 in payments was provided to 1,761 authors through the Public Lending Right Program¹ in 1999-2000**. This brings the total amount of Canada Council funding to British Columbia in 1999-2000 to \$15.4 million.
- In recent years, the Canada Council has awarded funding to an average of **300 British Columbia arts organizations as well as 300 British Columbia artists**. In 1998-1999, B.C. artists received almost \$3 million, while funding to organizations totaled \$10.9 million. The breakdown of funding for 1999-2000 illustrates a modest increase, with B.C. artists receiving \$3.2 million in grants, and B.C. organizations \$11.2 million.
- Grants awarded to British Columbia span each artistic discipline - dance, music, theatre, visual arts, media (film, video and new media), inter-arts and writing and publishing. **In both 1998-1999 and 1999-2000, the largest amount of funding went to music (\$3.3-\$3.2 million)**. In 1998-1999, theatre received the second largest amount of funding (\$2.2 million), while in 1999-2000, it was the visual arts that possessed the second largest grants total (\$2.3 million in funds).
- **Over the past two years, almost \$10.4 million in Council funding went to artists and arts organizations in Vancouver, making up 72%-74% of funding going to the province**. Victoria received an average amount of \$1.3 million in both 1998 and 1999. 69 additional communities in B.C. received a total of \$2.2 million in 1998-1999, while the remaining 73 communities receiving Canada Council funding in 1999-2000 had grants totaling over \$2.8 million.
- **97 British Columbia artists and arts professionals (92 anglogphones and 5 francophones) served as peer assessors in 1999-2000**, making up 17.3% of all peer assessors.
- **British Columbia artists and arts organizations received 13.3% of Canada Council funding in 1998-1999, and 14.0% of funding in 1999-2000**. In comparison, the province makes up 13.6% of culture workers and 12.9% of the Canadian population.
- The number of applications from British Columbia artists and arts organizations has grown very significantly over the past four years, increasing by 62% for artists and 35% for arts organizations – growth rates which are in both cases much higher than most other provinces and territories. **According to the 1996 Census, there were almost 61,000 culture workers in British Columbia, including almost 20,000 artists**.

¹ The Public Lending Right Program provides payments to authors whose books are held in selected Canadian libraries.

AIDE ACCORDÉE À LA COLOMBIE-BRITANNIQUE EN 1998-1999 ET EN 1999-2000

- En 1999-2000 le Conseil des Arts du Canada a octroyé **14,4 millions de dollars** en subventions à la Colombie-Britannique, ce qui représente une augmentation de 3,8 % par rapport à l'année précédente. En 1998-1999, **13,9 millions de dollars** en subventions avaient été accordés à cette province.
- En outre, **près de 1 045 338 million de dollars en paiements ont été versés à 1761 écrivains de la Colombie-Britannique dans le cadre du Programme du droit de prêt public² en 1999-2000**, ce qui porte à 15,4 millions de dollars l'aide totale attribuée à la Colombie-Britannique pour cette même année.
- Depuis quelques années, le Conseil des Arts du Canada a attribué des subventions à environ **300 organismes artistiques et 300 artistes de la Colombie-Britannique**. En 1998-1999, les artistes de la Colombie-Britannique ont reçu près de 3 millions de dollars en subventions alors que les organismes artistiques ont reçu 10,9 millions de dollars. L'analyse de l'aide accordée à la Colombie-Britannique en 1999-2000, démontre une modeste augmentation puisque ses artistes ont reçu 3,2 millions de dollars alors que ses organismes artistiques ont reçu 11,2 millions de dollars.
- L'aide du Conseil a touché toutes les disciplines artistiques – danse, musique, théâtre, arts visuels, arts médiatiques (films, vidéo et nouveaux médias), interdisciplinarité, et lettres et édition. **En 1998-1999 et en 1999-2000, la plus importante part de l'aide a été accordée à la musique (3,3 et 3,2 millions de dollars)**. En 1998-1999, le théâtre a reçu la seconde plus importante part du financement (2,2 millions de dollars) alors qu'en 1999-2000, celle-ci était revenue aux arts visuels (2,3 millions de dollars).
- **Depuis 2 ans, près de 10,4 millions de dollars en subventions ont été attribués à des artistes et à des organismes artistiques de Vancouver, ce qui représente de 72 à 74 % de l'aide globale accordée à cette province par le Conseil**. En 1998 et en 1999, Victoria a reçu environ 1,3 million de dollars par année. En 1998-1999, 69 autres communautés de la Colombie-Britannique ont reçu 2,2 millions de dollars alors qu'en 1999-2000, 73 communautés ont reçu plus de 2,8 millions de dollars en subventions du Conseil.
- **En 1999-2000, 97 (92 anglophones et 5 francophones) artistes et professionnels des arts ont fait partie d'un comité d'évaluation par les pairs**, ce qui représente 17,3 % de tous les évaluateurs de pairs.
- **En 1998-1999, les artistes et organismes artistiques et la Colombie-Britannique ont reçu 13,3 % du financement global accordé par le Conseil des Arts alors qu'en en 1999-2000, cette province en a reçu 14 %**. Pour fins de comparaison, la

² Le Programme du droit de prêt public accorde des paiements aux auteurs dont les livres font partie des collections de bibliothèques canadiennes sélectionnées.

province compte 13,6 % de tous les emplois liés au domaine de la culture et 12,9 % de la population canadienne.

- Depuis quatre ans, le nombre des demandes de subvention provenant d'artistes et d'organismes artistiques de la Colombie-Britannique a considérablement augmenté. Ainsi, on note une hausse de 62 % pour les artistes et de 35 % pour les organismes artistiques ce qui représente, à toutes fins pratiques, les deux plus hauts taux d'augmentation du nombre de demandes de subventions de toutes les provinces et de tous les territoires du Canada. **Selon le Recensement de 1996, on dénombre près de 61 000 travailleurs culturels en Colombie-Britannique dont 20 000 sont des artistes.**
