PCAP-13 READING, MATHEMATICS, AND SCIENCE ASSESSMENT (2007)**

**REQUEST FOR SCORERS
Scoring Session, Gatineau, Quebec, July 9-20, 2007**

The Pan-Canadian Assessment Program (PCAP) is a cyclical program of assessments of student achievement in reading, mathematics, and science conducted by the Council of Ministers of Education, Canada. The first assessment will be administered to approximately 30,000 students from over 1,500 schools in provinces and territories across Canada in April–May 2007.

PCAP-13 (2007) will be scored in Gatineau, Quebec, between the period of July 9 and 20, 2007. Over 100 experienced teachers from across the country will be involved. The reading component will be scored between July 9 and 20, 2007, the science component between July 9 and 13, and the mathematics component between July 16 and 20. All scorers must be available for the entire duration of their respective scoring session.

Individuals wishing to participate are invited to outline their qualifications and experience, using the short application form included with this notice. All applications will be considered.

Applicants must meet the following criteria:

- have experience in the teaching of reading, mathematics, or science at the 13-year-old target level
- be a student teacher, a current teacher, a substitute teacher, or a retired teacher
- reside in the Ottawa–Gatineau immediate vicinity

Bilingualism is considered an asset.

The rate of pay is \$150 per day, plus a per diem of \$30. No other expenses, such as meals, transportation, or accommodation, will be covered. **The application deadline is May 16, 2007**, after which date all candidates will be notified about the status of their application. Those interested in participating are asked to mail, fax, or e-mail the completed form OR a letter with their name, address, telephone numbers (work and home), and e-mail address, as well as a short summary (no more than one page) outlining their qualifications and experience to
