Expenditures are compiled from the addresses of employers, co-ordinators and individuals who are the recipients of cheques and do not necessarily reflect the constituency where the project was undertaken.

Les dépenses comprennent le soutien financier direct versé aux particuliers et l'aide financière accordée aux employeurs pour les seules activités du marché du travail. Ceci comprend les PEMS, les FTCE/FCCE, les fonds pour les jeunes, les autochtones, le Fonds d'intégration, LSPA/ARP. On compile ces données selon les adresses des employeurs, des coordonnateurs et des particuliers à qui on a émis le chèque, ce qui n'est pas nécessairement la circonscription où le projet se déroule.

Les dépenses comprennent le soutien financier direct versé aux particuliers et l'aide financière accordée aux employeurs pour les seules activités du marché du travail. Ceci comprend les PEMS, les FTCE/FCCE, les fonds pour les jeunes, les autochtones, le Fonds d'intégration, LSPA/ARP. On compile ces données selon les adresses des employeurs, des coordonnateurs et des particuliers à qui on a émis le chèque, ce qui n'est pas nécessairement la circonscription où le projet se déroule.

Expenditures are compiled from the addresses of employers, co-ordinators and individuals who are the recipients of cheques and do not necessarily reflect the constituency where the project was undertaken.

Les dépenses comprennent le soutien financier direct versé aux particuliers et l'aide financière accordée aux employeurs pour les seules activités du marché du travail. Ceci comprend les PEMS, les FTCE/FCCE, les fonds pour les jeunes, les autochtones, le Fonds d'intégration, LSPA/ARP. On compile ces données selon les adresses des employeurs, des coordonnateurs et des particuliers à qui on a émis le chèque, ce qui n'est pas nécessairement la circonscription où le projet se déroule.

Expenditures are compiled from the addresses of employers, co-ordinators and individuals who are the recipients of cheques and do not necessarily reflect the constituency where the project was undertaken.

Les dépenses comprennent le soutien financier direct versé aux particuliers et l'aide financière accordée aux employeurs pour les seules activités du marché du travail. Ceci comprend les PEMS, les FTCE/FCCE, les fonds pour les jeunes, les autochtones, le Fonds d'intégration, LSPA/ARP. On compile ces données selon les adresses des employeurs, des coordonnateurs et des particuliers à qui on a émis le chèque, ce qui n'est pas nécessairement la circonscription où le projet se déroule.
