## **FUNDING TO NEWFOUNDLAND AND LABRADOR, 1999-2000**

- In 1999-2000, the Canada Council for the Arts provided grants worth over \$1.3 million to the arts in Newfoundland and Labrador.
- In addition, \$98,579 in payments was provided to 199 Newfoundland and Labrador authors through the Public Lending Right Program<sup>1</sup>. This brings the total amount of Canada Council funding to Newfoundland and Labrador to about \$1.4 million.
- The Council awarded \$242,200 in grants to 26 Newfoundland and Labrador artists and \$1,058,795 to 36 Newfoundland and Labrador arts organizations<sup>2</sup>.
- Grants were provided in every artistic discipline - dance, music, theatre, visual arts, media arts, writing and publishing and interdisciplinary art. The largest amount of funding (\$417,445) went to theatre, followed by visual arts (\$247,900) and writing and publishing (\$207,573).
- \$1,098,925 in Council funding went to artists and arts organizations in St. John's, making up 84% of the funding going to the province. In total, all other communities in Newfoundland and Labrador received \$202,070 (about 16% of the total).
- 10 Newfoundland and Labrador artists and arts professionals served as peer assessors in 1997-98, making up 1.7% of all peer assessors.
- Newfoundland and Labrador artists and arts organizations received 1.26% of Canada Council funding. In comparison, the province makes up approximately 1.2% of individuals in professional and technical occupations in the arts and 1.9% of the population of Canada.
- According to the 1996 Census, there are 3,365 individuals in professional and technical occupations in the arts in Newfoundland and Labrador<sup>3</sup>. This represents a 2% increase over 1991. Underlying this small increase, however, are different trends for professional vs. technical occupations. The number of individuals in professional occupations in arts and culture actually increased by over 25%, almost the highest increase in any province or territory. The number of individuals in technical occupations in arts and culture fell by over 16%.

---

<sup>1</sup> **The Public Lending Right Program provides payments to authors whose books are held in selected Canadian libraries.**

<sup>2</sup> **Number of arts organizations excludes host organizations such as libraries, post-secondary institutions, bookstores and other organizations participating in the Literary Readings Program.**

<sup>3</sup> **These figures represent only a portion of the total cultural sector labour force.**

---

## **Aide accordée à Terre-Neuve et au Labrador, 1999-2000**

- En 1999-2000, le Conseil des Arts du Canada a accordé des subventions d'une valeur totale de plus de 1,3 million de dollars pour les arts à Terre-Neuve et au Labrador
- D'autre part, un montant global de 98 579 \$ a été payé à 199 écrivains de Terre-Neuve et du Labrador par le Programme du droit de prêt public<sup>4</sup>, ce qui porte à environ 1,4 million de dollars le montant total de l'aide du Conseil à Terre-Neuve et au Labrador.
- Le Conseil a attribué en subventions 242 200 \$ à 26 artistes de Terre-Neuve et du Labrador et 1 058 795 \$ à 36 organismes artistiques de la province<sup>5</sup>.
- Des subventions ont été attribuées dans toutes les disciplines artistiques - danse, musique, théâtre, arts visuels, arts médiatiques, lettres et édition et art interdisciplinaire. La majeure partie (417 445 \$) a été accordée au théâtre, suivi par les arts visuels (247 900 \$) et les lettres et l'édition (207 573 \$).
- Un montant de 1 098 925 \$ a été accordé aux artistes et organismes artistiques de St. John's, soit 84 % de l'aide accordée dans la province. En tout, les autres collectivités de Terre-Neuve et du Labrador ont reçu 202 070 \$ (environ 16 % du total).
- 10 artistes et professionnels des arts de Terre-Neuve et du Labrador ont rempli des fonctions d'évaluateurs en 1997-1998, soit 1,7 % de tous les évaluateurs du Conseil.
- Les artistes et organismes artistiques de Terre-Neuve et du Labrador ont reçu 1,16 % de l'aide du Conseil des Arts du Canada. Pour les besoins de la comparaison, la province représente environ 1,2 % des personnes occupant des emplois professionnels et techniques du secteur des arts au Canada et 1,9 % de la population canadienne.
- Selon le Recensement de 1996, 3 365 personnes occupent des emplois professionnels et techniques dans le secteur des arts à Terre-Neuve et au Labrador<sup>6</sup>. Il s'agit d'une augmentation de 2 % par rapport à 1991, dans laquelle entrent toutefois en ligne de compte des tendances différentes pour les emplois professionnels et les emplois techniques. Le nombre de personnes occupant des emplois professionnels en art et culture a en réalité augmenté de plus de 25 %, de peu la plus haute augmentation de toute province ou territoire. Le nombre des personnes occupant des emplois techniques en art et culture a diminué de plus de 16 %.

---

<sup>4</sup> Le Programme du droit de prêt public accorde des paiements aux auteurs dont les livres se trouvent dans un échantillon déterminé de bibliothèques canadiennes.

<sup>5</sup> Le nombre des organismes artistiques exclut les organismes d'accueil tels que les bibliothèques, établissements d'enseignement postsecondaire, librairies et autres organismes qui participent au Programme de rencontres littéraires.

<sup>6</sup> Ces chiffres ne représentent qu'une partie de la population active du secteur culturel.
