- NOTES:**
1. Where more than one certificate is required for a railway car, separate inspection and weighing fees shall be applied for each certificate issued.
 2. Where, for any reason, the grain in all compartments of a hopper car cannot be unloaded at the same time, thereby requiring additional inspection and weighing services on that railway car, inspection and weighing fees shall be applied each time the services are provided on the grain in that railway car.
 3. Fees shown in this schedule are before tax. The Goods and Services Tax will be collected on all fees for services except the services described in items 5 to 7 and 9, which are exempt.
 4. All fees shall be calculated to the nearest cent. [SOR/2004-198]
