Notes to the Financial Statements

For the year ended March 31, 2004

ORGANIZATION

The Public Sector Pension Investment Board ("PSP Investments") was formed pursuant to the *Public Sector Pension Investment Board Act* (the "Act") with a mandate to invest in financial markets the contributions to the Public Service, Canadian Forces and Royal Canadian Mounted Police pension plans. Prior to the implementation of the provisions of the *Act*, the balances of the plans were credited with a rate of interest based on long-term Government of Canada bonds.

The Royal Canadian Mounted Police Pension Fund was established by amendments to the *Royal Canadian Mounted Police Superannuation Act*, to receive contributions and make benefit payments in respect of member service after April 1, 2000. The excess of contributions over benefits is transferred, by the Royal Canadian Mounted Police Pension Fund, to PSP Investments–Royal Canadian Mounted Police Pension Plan Account for investment. PSP Investments maintains records of the Pension Fund's net contributions, as well as the allocation of its investments and the results of its operations to each of the Plan Accounts.

PSP Investments is responsible for managing amounts that are transferred to it in the best interests of the beneficiaries and contributors under the *Royal Canadian Mounted Police Superannuation Act*. The amounts are to be invested with a view to achieving a maximum rate of return, without undue risk of loss, having regard to the funding, policies and requirements of the *Royal Canadian Mounted Police Superannuation Act*.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

These financial statements present the financial position and operations of PSP Investments as they pertain to the investment of the excess funds transferred to it from the Royal Canadian Mounted Police Pension Fund. Accordingly, they do not reflect all of the assets, or the details of the pension contributions, payments and liabilities of the Royal Canadian Mounted Police Pension Fund. The statements have been prepared in accordance with Canadian generally accepted accounting principles and the requirements of the *Act*.

Valuation of investments

Investments consist of the unit interest in PSP Investments' assets (The "PSP Funds") that are allocated to this Plan Account. Investments are recorded as of the trade date and are stated at fair value. Fair value is the amount of the consideration that would be agreed upon in an arm's length transaction between knowledgeable, willing parties who are under no compulsion to act. Fair value for investments in pooled funds is based on unit values, which reflect the quoted market prices or other generally accepted pricing methodologies for the underlying securities.

Income recognition

The investment income has been allocated by PSP Investments according to the number of units of PSP Funds held by the Royal Canadian Mounted Police Pension Plan Account.

Investment income is recorded on the accrual basis and represents realized gains and losses on the disposal of investments, change in unrealized appreciation (depreciation) on investments held at the end of the year, interest income and dividends. These income items include the related distributions from PSP Funds.

Translation of foreign currencies

Transactions in foreign currencies are recorded at the rates of exchange on the transaction date. Investments denominated in foreign currencies and held at the end of the year are translated at exchange rates in effect at the year end date. The resulting realized and unrealized gains and losses on foreign exchanges are included in investment income.
