

Paul Wong - Clip 3

Cultural and identity issues are of interest to me

Certainly a current theme out there in the art world is issues around cultural differences and identity. And that just so happens to be stuff that I have been doing from the very, very beginning. Certainly a lot of the work that I have done in the last 10 yrs has been trying to reconnect with what it is to be Chinese...and Chinese-Canadian; where a lot of my earlier work was not really concerned about being Canadian or Chinese, it was concerned with being young, confused sexually, poor, uneducated, fashion, music, those other kinds of things.
