

**ANNEX MSO 3**  
**Sport Canada - Sport Support Program 2008- 2009**  
**Sport Priorities Form**

MSO Mission Statement:

Please list the MSO's key expected measurable outcomes/impact for which funding is being requested.

Note:

- \* List outcomes/impact for the operations/programming and official languages funding blocks only.  
 You are not required to do this exercise for the administration and salaries funding blocks.
- \* Group your outcomes/impact according to their link to the four objectives of the Sport Support Program
- \* Check off, for each outcome/impact, which of the four core services to which it applies.  
 The four core services are: G - Games, S - National Standardized Programs, L - Leadership, and E&A - Equity and Access.

Sport Support Program objectives	Core Services				Expected outcomes / impact	Reference to Operational Plan	Outcome / Impact Achieved (to be completed after each contribution year)
	G	S	L	E & A			
<b>Excellence:</b>							
<b>Capacity:</b>							
<b>Participation:</b>							
<b>Interaction:</b>							
Other organizational priorities (not funded)							

Definition:

**Excellence:** to increase the capacity of the Canadian sport system to systematically achieve world class results at the highest international competitions

**Capacity:** to contribute to the provision of technical sport leadership within the Canadian sport system

**Participation:** to increase the opportunities to participate in quality sport activities for all Canadians, including under-represented groups

**Interaction:** to increase collaboration, communication and cooperation amongst partners
