Priority Agreement

A *Priority Agreement* is an agreement between the CWB and financial institutions and secured parties that gives the CWB's lien against an applicant's grain priority over any other security. Financial institutions include: banks, credit unions, Caisse Populaires or cooperative credit societies, trust companies and the Province of Alberta Treasury Branch. A *Priority Agreement* must be completed by:

- every financial institution with which the applicant deals, whether or not there is a lien on the grain;
- every financial institution or secured party that has a security interest or lien on the grain described in the advance.

A secured party may be any person or business organization with a lien on the applicant's grain.

The advance application includes a *Priority Agreement*. The advance application must be completed to the end of paragraph 4 "The Advance Payment", before the applicant takes the agreement to the financial institution(s) or secured party(ies). There are separate *Priority Agreement* forms with your supplies if more than one is required.

The Priority Agreement(s) completed for the 2005-06 AMPA program (where default has been stayed) continue to be in effect if the amounts are transferred by the CWB to 2006-07 AMPA.

These separate forms are identical to the forms on the application except that the financial institution or secured party must indicate the date of the application.

An advance cannot be issued until the applicant's financial institution(s) and all secured parties listed on the advance application have completed a *Priority Agreement*.

Failure to complete the necessary Priority Agreement(s) could result in default.

Instructions:

1. Once the application is completed to the end of paragraph 4, ask the applicant to list all applicable financial institutions and secured parties.
2. Instruct the applicant to have every financial institution and secured party complete a separate *Priority Agreement*.
3. Advise the applicant that failure to disclose all financial institutions and secured parties is an offense under *AMPA* and the *Criminal Code*.
4. If the applicant refuses to have the *Priority Agreement* completed, contact the CWB using the toll-free number.
5. Attach all additional completed *Priority Agreement(s)* to the completed application.

The declaration section must be fully completed.

Incorrectly completed priority agreements

Incorrectly completed priority agreements will be faxed for correction if the advance requires CWB approval before issuance. Forms not correctly completed delay CWB approval and increase administration.

Declaration

Have the applicant read and sign the *Declaration* section of the application form.

Please read "Signature Requirements" on page 16-17.

Read the *Note to Elevator Manager* on the application form. **Ensure all provisions have been met before sending the application to the CWB.**

The advance application form consists of three copies:

- Send the white copy to the CWB as indicated below.

- Give the green copy to the applicant.

The CWB must verify the following applications before a cash ticket is issued:

- Requests for a second payment or subsequent advance (where the applicant has exceeded the \$50,000 or elevator issuance limits).

If applicable, issue the cash ticket. **Please read "Issuing cash tickets" on page 18.**

The package you are preparing for your head office should include the CWB's copies of:

- the completed and signed *Advance Application* (white copy);
- completed and signed *Priority Agreement(s)*;
- completed and signed *Application For Irrigation Rate* form (if applicable); and
- cash ticket (if the advance was issued).
