

SECTION B: BUILDING SIZE AND PHYSICAL CHARACTERISTICS

This section refers to building size and physical characteristics. It covers information on year of construction, total gross area, and number of floor levels and parking area.

B1: When was the construction of the major or largest portion of this building completed?
(If you do not know the exact year, please give the best estimate)

|_|_|_|_| (Indicate the year)

Real value

Please specify: B1v: Type Estimation

B2: In December 2000, what was the total gross area of all the space above and below ground enclosed within the walls of this building?

Area also includes hallways, lobbies, stairways, penthouse and elevator shafts, but it excludes indoor parking and mechanical areas.

(If you do not know the exact building area, please give your best estimate)

Total building area:

Please specify: B2u: Measurement unit	Square feet <input type="text"/>	B2v: Type	Exact area: <input type="text"/>
	Square metres <input type="text"/>		Estimated area: <input type="text"/>

B2a: Did the total gross area of the building change in the year 2000 (e.g. following construction or demolition work)?

1 - Yes

2 - No ➔ Go to Question B3

B2b: In what month was the construction or demolition work completed?

|_|_| (Record month)

B2c: Did the total gross area of the building increase or decrease?

1 - Increase?

2 - Decrease?

B2d: What was the building total gross area in January 2000?
(Include all space below and above ground excluding parking and mechanical areas)

**Total added or removed
 area:** _____

Please specify: B2du: Measurement unit	Square feet	B2dv: Type	Exact area:
	Square metres		Estimated area:

**B3: How many floors are there in this building?
 Include floors below ground and penthouse;
 exclude floors used as indoor parking and mechanical areas.**

_____ | (Record number of floors)

B4: How many floors are below ground excluding floors that may be used as indoor parking or mechanical areas?

_____ | (Record number of floors)

B5: Is there indoor parking in this building?

- 1 - Yes
- 2 - No ➔ Go to Question B6

B5a: How many levels of indoor parking are there in this building?

_____ | (Record number of levels)

B5b: Were the indoor parking levels heated in 2000?

- 1 - Yes
- 2 - Partially - Specify percentage of indoor parking space heated _____|%
- 3 - No ➔ Go to Question B6

B5c: How many levels of heated indoor parking were there in this building in 2000?

_____ | (Record number of levels)

B5d: What was the total area of heated indoor parking in this building in 2000?

Indoor parking area: _____

Please specify: B5du: Measurement unit	Square feet	B5dv: Type	Exact area:
	Square metres		Estimated area:

B5e: How many cars could be accommodated in the heated indoor parking in this building in 2000?

_____ | (Record number of cars)

B6: How many walls of this building at the ground level or higher are shared with another building?

- 1 - None, building is freestanding
- 2 - One
- 3 - Two
- 4 - Three
- 5 - Four, the building is completely enclosed
- 6 - Four, but the building is not enclosed (complicated floorplan)
- 7 - More than four, the building is enclosed (complicated floorplan)
- 8 - More than four, the building is not enclosed (complicated floorplan)

B7: If you do not know the answer to any question in this section (building size and physical characteristics), would you know who could provide the information?

- 1 - Another contact
Specify name: _____
- 2 - Building Service Company
Specify name: _____
- 3 - Don't know
