- Authority:** This survey is conducted under the authority of the Statistics Act, Revised Statutes of Canada, 1985, Chapter S19. Completion of this questionnaire is a legal requirement under the Statistics Act.
- Confidentiality :** Information collected under the Statistics Act is treated in strict confidence and is specifically exempt from being released under the Access to Information Act. The data reported on this questionnaire are used for statistical purposes, and are published in aggregate form only.
- Purpose of the survey :** The aim of this survey is to compile data on all international transactions in services directly bought and sold abroad by businesses located in Canada. Please, **include** transactions conducted between the Canadian entity (surveyed by this questionnaire) and foreign related parties. However, **do not include** transactions between foreign related parties and non-related parties or transactions between two foreign related parties located outside Canada. This survey is **not** intended for : imports and exports of goods, freight and shipping transactions, travel, interest or profit/loss. The data are required for the compilation of Canada's Balance of International Payments and the Gross Domestic Product. Such statistics are used as a major input in the conduct of monetary and exchange rate policies. Other uses of these data include the development and monitoring of international trade agreements, and for business planning, marketing and institutional research.
- Filling of reports :** A completed copy of this form should be returned **within three weeks** of receipt to the Balance of Payments Division, Statistics Canada, Ottawa, Ontario, K1A 0T6.
