Content: The questionnaire is divided into two major parts: A) funded debt abroad and B) foreign bank borrowing and other foreign loans. Please complete the preprints included with the questionnaire, correcting and supplementing where necessary or use the BP-55 questionnaire itself.

Part A Funded Debt by Selected Issue: Please list in **Part A** any outstanding issues known or believed to be partly or totally held by non-residents.

In columns 6 through 14, show all information in thousands of units of the currency of issue.

Under columns 6 and 8, please report the totality of the issue, i.e. amounts which did not reach maturity at the dates indicated.

Under columns 7 and 9 report for each issue the portion of columns 6 and 8 which are held internally in sinking funds or other reserve accounts. Under column 13 report the total amount of each issue retired (including the issues you internally declare retired) during the year. These issues can originate from the sinking funds and other reserve accounts accumulated from previous year as well as from acquisitions during the current year (the latter would also appear under columns 10, 11 and 12).

Part B Borrowings from Banks Abroad and Other Foreign Loans: Please list any borrowings from foreign banks or other foreign institutions not covered in Part A.
