Authority: This survey is conducted under the authority of the Statistics Act, Revised

Statutes of Canada, 1985, Chapter S19. Completion of this questionnaire is a

legal requirement under the Statistics Act.

Confidentiality: Information collected under the Statistics Act is treated in strict confidence and

is specifically exempt from being released under the Access to Information

Act.

Purpose: The data are required to prepare statements on Canada's Balance of

International Payments and Investment Position. Such statements are used as a major input in the conduct of monetary and exchange rate policies by the Government of Canada. Other uses include international trade negotiations,

business planning, marketing and institutional research.

Please report as at December 31, 2004. Banks unable to comply should report as at the end of their fiscal year, and specify fiscal year-end in Note 1.

Filing of this questionnaire: A completed copy of this questionnaire should be returned within four weeks

of receipt to Balance of Payments Division, Statistics Canada, Ottawa, Ontario, K1A 0T6. If you need any clarification about reporting, please

telephone collect 1(613) 951-1860.

Coverage: The report should cover all booked in Canada debentures issued by Canadian

banks and all long-term debt in the form of bonds, debentures and notes issued by their consolidated Canadian subsidiaries which are reported in aggregate in Part II of the Geographical Distribution of Assets and Liabilities (pursuant to Section 221 of the Bank Act). Long-term debt issued by consolidated Canadian subsidiaries should be limited to those items reported in Liability 7 "Liabilities of subsidiaries, other than deposits" on Schedule J (pursuant to subsections 219(1) and 223(1) of the Bank Act). Please identify the name of the Canadian subsidiary in column 5 of the report. Deposit

liabilities should not be reported, as they are captured elsewhere.

Geographical detail: Where the actual country of residence of the holder of the debt instrument is

not known, the total outstanding amount of the issue should be allocated to the area where the instrument was issued. (e.g. a U.S. dollar debenture issued in the Euromarket in London, England should be allocated to the United

Kingdom).

Currency details: Express all amounts in thousands of currency of payment. If it is more

convenient to report amounts in Canadian dollars, please indicate in Note 2 the rate of exchange used in the conversion of issues which are denominated

in foreign currencies.

Direct investors: This represents those shareholders that own 10% or more of the company's

equity or are affiliates (i.e. part of the same enterprise group).

Thank You
