

The following data on your debt has been compiled from information submitted in prior years and other sources. Please revise and update the information on this form. Any additional long-term debt items not shown below should be reported on the BP-52 questionnaire. The 2005 year-end amount outstanding might be slightly different because of the variations in exchange rates used.

| Consolidation of Canadian subsidiaries TYPE OF LONG-TERM LIABILITY (including amounts due within one year) | | | | | | | | | | | Amounts outstanding | | | | | | | | |
|---|------------|-------|------|---------------|-----------------|---------------|-------|------|-------------------|----------------------|--|----------------|--|--------------------------|-------------------------|--------------------------|-------------------------|--------------|--|
