Prices of goods and services paid by farmers are essential to the production of the FARM INPUT PRICE INDEX. The prices you report assist in measuring the movement of prices needed for this index. The indexes in turn are used in developing measures of real farm output and in contract escalation.

INDIVIDUAL PRICE REPORTS ARE KEPT CONFIDENTIAL.

The reporting form sets out our request for price information. We urge you to read the instructions carefully.

Should you require further information with respect to this report, please contact the Prices Division Contact indicated on the reverse side.

The information and data pre-coded on this form reflects the respondent's preference.

Thank you for your cooperation.
