Authority - Statistics Act,  
Revised Statutes of Canada,  
1985, Chapter S19.

JUNE 2003

Prices of goods and services paid by farmers are essential to the production of the FARM INPUT PRICE INDEX. The prices you report assist in measuring the movement of prices needed for this index.

INDIVIDUAL PRICE REPORTS ARE KEPT CONFIDENTIAL.

The advice of the Canadian Veterinary Medical Association was very useful in designing the survey form.

Should you require further information with respect to this report, please contact the Prices Division Contact indicated on the reverse side.

The information and data pre-coded on this form reflects the respondent's preference.

Thank you for your cooperation.
