## A. General Information

#### Survey Purpose

This survey collects financial and operating data needed for the statistical analysis of the Travel Arrangement industry. The information from the survey can be used by organizations involved in research or policy making such as the Canadian Tourism Commission.

#### Coverage

Please complete the questionnaire for the business unit(s) in the pre-printed area above. For this purpose, a "business unit" is defined as the lowest level of the firm for which separate records are kept for such details as revenue, expenses and employment.

### Data-Sharing Agreements (

In order to reduce response burden and to provide consistent statistics, Statistics Canada has entered into stata sharing agreements with the statistical agencies of Ouebec, Manitoba and British Columbia under Section 11 of the *Statistics Act.* For business locations operated in Quebec, Manitoba and British Columbia, the agreements authorize Statistics Canada to forward a copy of the data collected in this survey to the statistical agencies of these provinces. The Statistics Acts of these provinces include the same provinces for confidentiality and these provinces include the same provisions for confidentiality and penalties for disclosure of information as the federal Statistics Act. As well, Statistics Canada has entered into a data sharing agreement with the Canadian Tourism Commission under section 12 of the Statistics Act for the sharing of information from this survey. Under section

12 of the Statistics Act you may refuse to share your information with the Canadian Tourism Commission by writing to the Chief Statistician and returning your letter of objection along with the completed questionnaire in the enclosed return envelope. The agreement with the Canadian Tourism Commission requires that they keep the information confidential and use it only for statistical and research purposes.

#### Confidentiality

 $\bigcirc$ 

The Statistics Act protects the confidentiality of information collected by Statistics Canada.

#### Fax or Other Electronic Transmission Disclosure

Statistics Canada advises you that there could be a risk of disclosure during the facsimile or other electronic transmission. However, upon receipt, Statistics Canada will provide the guaranteed level of protection afforded to all information collected under the authority of the Statistics Act.

#### **Reporting Instructions**

- Report for all operation(s) and/or location(s) pre-printed in the above address area. If it is not possible to report for the above business unit(s), please explain the reason(s) in the comments section at the end of the questionnaire.
- · When precise figures are not available, please provide your best estimates.

Canada owes the success of its statistical system to a long-standing co-operation involving Statistics Canada, the citizens of Canada, its businesses, governments and other institutions such as the Canadian Tourism Commission. Accurate and timely statistical information could not be produced without their continued co-operation and goodwill.
