Potato Prices

Manitoba, Saskatchewan and British Columbia

The **purpose** of this survey is to collect accurate, up-to-date information on farm prices of potatoes. These prices are used to calculate farm cash receipts, to negotiate international trade agreements, to formulate income stabilization policies and to help farmers make informed management decisions.

What is the average price for potatoes, you, or farmers in your neighbourhood, received on or near the 15th of this month? Please report an average price which takes into account all grades of potatoes. Report the transaction price received when ownership first changes hands.

		Price per cwt.	or	Price per 75lb. bag	or	Price per ton
Potatoes sold for table use	117	\$		\$		\$
Potatoes sold for seed	120	\$		\$		\$
Potatoes sold for processing	122	\$		\$		\$

Manitoba and British Columbia residents:

To avoid duplication of inquiry, this survey is conducted under a cooperative agreement for the sharing of information in accordance with Section 12 of the Statistics Act, with the Manitoba Department of Agriculture and Food and the British Columbia Ministry of Agriculture, Food and Fisheries. Do you agree to share this information?
