The purpose of this survey is to collect reliable and up-to-date information on non-board grains and specialty crops in the province of Alberta. These data are used to calculate farm cash receipts which measure agriculture contribution to the Canadian economy. The data are also used by producer organizations, government departments and others for policy and decision-making.

Please provide the information requested on non-board grains and specialty crops for the month specified.

- tonnes purchased (dockage and shrinkage deducted)
- gross receipts (only rail freight and elevation deducted)

In compiling average provincial prices to producers, your data will be aggregated with data received from other companies to protect the confidentiality.

Please return your completed questionnaire by facsimile to (613) 951-3868.
