CUSTOMS NOTICE 665

Release of Canadian Automated Export Declaration 2007

1. The purpose of this notice is to inform exporters that Canadian Automated Export Declaration (CAED) 2007 was released on December 18, 2006.
2. CAED 2006 will expire on January 31, 2007. CAED participants may upgrade to CAED 2007 by downloading the software from the CAED Web site at www.statcan.ca/english/exports.
3. A detailed list of changes to CAED 2007 is available on the CAED Web site.
4. Please note that CAED 2007 is not compatible with the new Microsoft operating system, *Windows Vista* (Vista) or *Windows 98*.
