1 Policy statement

Under the Pensioners' Dental Services Plan (PDSP) rules, a member may re-direct payment of one or more claims to the member's spouse or common-law partner. The Employer and the Plan Administrator have agreed, in the interest of proper plan administration, to allow a plan member to authorize a spouse or common-law partner to submit dental claims on a member's behalf when the claims are in respect of dental treatment or services for the member's spouse or common-law partner or eligible covered child(ren). Further, in situations where the member's eligible child(ren) are not in the care and custody of the member, the member may authorize the person having care and custody of the eligible covered child(ren) to file claims and receive claims' reimbursement in respect of dental treatment or services for the member's eligible covered child(ren).

The member may ask that this authorization be rescinded by writing to the Plan Administrator.
