

T2 CORPORATION INCOME TAX RETURN (1997 and later taxation years)

This form serves as a federal and provincial or territorial corporation income tax return, unless the corporation is located in Quebec, Ontario, or Alberta. If the corporation is located in one of these provinces, you have to file a separate provincial corporate return.

Parts, sections, subsections, and paragraphs mentioned on this return refer to the *Income Tax Act*. This return contains changes that had not yet become law at the time of printing. If you need more information about items on the return, see the *1995 T2 Corporation Income Tax Guide*. For information concerning the 1997 Budget and other recent changes, see the *1997 Supplement to the 1995 T2 Corporation Income Tax Guide*.

Send or hand deliver one copy of this completed return, including financial statements and schedules, to your tax services office, or mail it to the tax centre that serves the corporation. You have to file the return within six months of the end of the corporation's taxation year. See items 1 to 5 in the guide for more information on how to file T2 returns.
