**Re: Subject: Semi-annual reports of interexchange private line routes
pursuant to Order 99-434**

Dear Ms. Rhéaume:

1. FibreWired Hamilton (a division of Hamilton Hydro Services Inc.) hereby files the semi-annual report due 1 April 2005 pursuant to *Follow-up proceeding to Telecom Decision 97-20: Establishment of criterion and process for considering further forbearance for High Capacity/DDS interexchange private line services*, Telecom Order CRTC 99-434, 12 May 1999 (Order 99-434). This information is being filed in the format requested in the Commission staff letter dated 23 March 2005 which provides direction to providers of interexchange private line (IXPL) services related to the filing of these reports.
2. FibreWired Hamilton offers or provides, on the following routes, the equivalent of DS-3 bandwidth (or greater) on a private line basis to at least one customer, using terrestrial facilities other than from the Incumbent Local Exchange Carrier (ILEC) in question (or an ILEC affiliate):

A-end Exchange/ILEC	B-end Exchange/ILEC	Description	Route Reporting Status
Hamilton, Ont./ Bell Canada	Ancaster, Ont./ Bell Canada	A-end terminates at another carrier (not a CO) B-end terminates at customer CPE	As reported October 2004
Hamilton, Ont./ Bell Canada	Galt, Ont./ Bell Canada	A-end terminates at another carrier (not a CO) B-end terminates at customer CPE	As reported October 2004

Yours truly,

Ian Collins
President
FibreWired Hamilton
