ARE YOU HOOKED ON ROAD SAFETY?

Young people are uniting to stop these preventable deaths. Would you like to be one of them?

The Canadian Global Road Safety Committee is accepting applications from Canadian youth to participate in ground breaking international and national events as part of Global Road Safety Week:

United Nations World Youth Assembly for Road Safety (Geneva, week of April 23, 2007)
Canadian Road Safety Youth Conference (Montreal, June 6-8, 2007)

*Do you want to help stop these preventable deaths?
Share your ideas and learn with other young people from
around the world and across Canada.*

- 5 young Canadians will have the opportunity to travel to Geneva for the United Nations World Youth Assembly for Road Safety.
- 50 young Canadians will also be chosen to participate in Montreal at the Canadian Road Safety Youth Conference.
