

PHAC Strategic Plan: 2007-2012

PHAC

VISION

Healthy Canadians and communities in a healthier world

MISSION

To promote and protect the health of Canadians through leadership, partnership, innovation, and action in public health

PHAC STRATEGIC PLAN

OBJECTIVES

To anticipate and respond to the health needs of Canadians.

To ensure actions are supported by integrated information and knowledge functions.

To further develop PHAC's dedicated, professional workforce by providing it with the tools and leadership it needs and by ensuring a supportive culture.
