

## Agriculture Division Census of Wildlife Pelt Production

Collected under the authority of the Statistics Act, Revised Statutes of Canada, 1985, chapter S19.

Province: \_

For the FUR YEAR: 2001 - 2002

The purpose of this survey is to produce annual estimates of the quantity and value of wildlife pelts produced in Canada. The information is used by all levels of governments in developing policies and in addressing issues such as dealing with conservation of wildlife.

Newfoundland, New Brunswick, Manitoba, Saskatchewan, and British Columbia residents please note: To avoid duplication of enquiry, this survey is conducted under a co-operative agreement for the sharing of information in accordance with:

- Section 12, Statistics Act with the Newfoundland, New Brunswick, Manitoba, Saskatchewan, and British Columbia Departments of Agriculture

If you object to sharing this information, please inform us in writing and mail your letter, along with the completed questionnaire, to Agriculture Division, Statistics Canada, Ottawa Ontario, K1A 0T6.

Quebec only: A data sharing arrangement exists under Section 11 of the Statistics Act with the Quebec Bureau of Statistics,
