

## WHOLESALE PRICE REPORT

### Purpose of this survey

This survey is being conducted to collect prices of representative product and service transactions. The prices you report are essential to the production of indexes measuring the movement of prices for important industries in the Canadian economy as well as for international comparability of productivity, inflation and trade. The resulting indexes are used in developing estimates for real wholesaling output and valuation of imports. In order to enhance the information you provide in this survey, Statistics Canada plans to combine the responses relating to your organization with the information you previously provided on this survey.

### Confidentiality

Statistics Canada is prohibited by law from publishing any statistics which would divulge information relating to your business without your prior written consent.

**The data reported on your questionnaire will be treated in strict confidence, used for statistical purposes and published in aggregate form only.** The confidentiality provisions of the Statistics Act are not affected by the Access to Information Act or by any other legislation.
