

Science and Technology Redesign Project

# Survey of Intellectual Property Commercialization in the Higher Education Sector, 1998

In all correspondence concerning this questionnaire, please quote this three-digit reference number.

Confidential when completed.

Collected under the authority of the Statistics Act, Revised Statutes of Canada, 1985, Chapter S19.

Si vous preférez ce questionnaire en français, veuillez nous appeler au (613) 951-2199.

Please correct	name	and	address.	if	necessary.

3

### **Purpose**

The information you provide is essential to assure the availability of pertinent information to monitor science and technology related activities and to support the development of science and technology policy. Statistics Canada will create a database combining survey responses with other Statistics Canada records concerning your institution.

#### Confidentiality

While participation in this survey is voluntary voluntary cooperation is important to ensure that the information collected is as accurate and as comprehensive as possible. Statistics Canada is prohibited by law from publishing or releasing, in any manner, any statistics that would divulge information obtained from this survey relating to any identifiable business, institution or person, without the previous written consent of that business, institution or person. The data reported on this questionnaire will be treated in strict confidence, used for statistical purposes and published in aggregated form only. The confidentiality provisions of the Statistics of are not affected by either the Access to Information Act or by any other legislation.

### Questions?

If you require assistance in completing this questionnaire or have any questions regarding this survey, please call the sponsoring (division collect: Statistics Canada, Science and Technology Redesign Project, 613-951-2199 (Call collect).

## Survey Contact

Please indicate the name of the person completing this form so that we know who to contact should we have any questions.
