*This preface is to select hospitals and regional health authorities that should complete the attached questionnaire. If your organization is not affiliated with a university or has not incurred research and development expenses, please complete this page and return it with the blank questionnaire.*

**Affiliated** implies a formal linkage between two or more organizations.  
**Integrated organizations** are institutional units that are embedded in the parent organization's budgets and accounts. They do not have separate books of account. Their transactions are consolidated in the parent organization's financial statements. This includes hospitals operated by the federal government (Department of National Defence, Health Canada, Veterans Affairs Canada), regional health authorities, universities and amalgamated hospitals (such as the Toronto Hospital and Ottawa Hospital).  
**Intellectual property management** includes processing patent applications, registering copyrights, licensing, marketing, etc. as related to technology developed at the organization.  
**Research and development expenditures** should be consistent with those reported on the Annual Hospital Survey.
