HHLDROST

The household roster will collect the name, age, sex, and marital status for each household member.

SELECTP

One or two people will be selected from each household to complete the smoking questions. In some households, if the selected person is age 25+, that person will not be retained; if no younger person was selected in the same household, the interview will end after asking a few questions of the current respondent.

HHSIZE

Number of people age 15+ in household, calculated from household roster.
