*This information will be used to improve the supply and disposition statistics for grains and the measurement of the value of feed grains in the Prairie Provinces by Statistics Canada.  
 These data will be combined with those of other companies and published in summary totals at the provincial level.*

## Instructions:

- Please report, in metric tonnes, purchases of grain bought directly from **farmers** and from **all grain dealers** whether licensed or not.  
 Do not include:
  - Grain purchased from licensed primary, process or terminal elevators.
  - Purchases of grain products.
  - Purchases already reported to the Canadian Grain Commission (CGC).
- Operations for each province should be reported on a separate questionnaire.
- Please indicate in the comments section any unusual events which may affect the data for this period such as unusual prices, poor weather, transportation difficulties or changes in your operation.
- Return your completed questionnaire, by **August 18, 2006**, by facsimile to **(613) 951-3868** or by mail to Agriculture Division, Statistics Canada, Ottawa (Ontario), K1A 0T6. If you have any questions, please contact Marco Morin at (613) 951-2074 or marco.morin@statcan.ca.
