PURPOSE OF THE LEGAL AID SURVEY

The purpose of the Legal Aid Survey is to provide national information of relevance to issues faced by government policy-makers, legal aid administrators, and the public. The survey scope encompasses data relating to services provided by or funded in whole or in part by the Legal Aid Plan. While participation in this survey is voluntary, your co-operation is important to ensure that the information collected in this survey is as accurate and as comprehensive as possible.

GENERAL INSTRUCTIONS

1. Please complete and return by **June 9, 2006**.
2. Please refer to the **Scoring Guide** for survey definitions and instructions regarding what to measure and how to record it. If there are deviations from the survey definitions, please note these in the comment section provided for each question. As well, please indicate in the comment section, any changes in legal aid service delivery in your jurisdiction that may have affected this year's data.
3. Please provide a figure in all boxes. If there is no amount for a particular box, enter one of the following:

- | |
|--|
| <p>0 when the amount is zero;</p> <p>X when the figure is not available in your jurisdiction (for example, a breakdown of total applications by criminal and civil matters, although relevant, is not available from jurisdictional data sources);</p> <p>N when the figure is not applicable in your jurisdiction (for example, the number of private lawyers when the Legal Aid Plan is exclusively Judicare)</p> |
|--|

4. All dollar figures are to be reported in **thousands of dollars**.
5. Please fax the completed paper version of the form to:
