

PROGRESS OF SEEDING FOLLOW-UP SURVEY 2001

**CONFIDENTIAL
when completed**

Collected under the authority of the *Statistics Act*, Revised Statutes of Canada, 1985, chapter S19.

STAMP NUMBER

The Progress of Seeding Survey is a follow-up to the 2001 Census of Agriculture that you completed in May of this year. Our records indicate that you had not finished planting your field crops at that time. The purpose of this survey is to obtain a complete list of all field crops and the areas planted this year.

This follow-up survey is conducted under the authority of the *Statistics Act* and all information you give is kept strictly confidential.

Thank you for helping us update the 2001 Census of Agriculture information. Your cooperation is appreciated.

Will you be reporting in 1. Acres 2. Hectares 3. Arpents

Please enter the area of the field crops you planted for the 2001 growing season.

- Report the total area of the various field crops **to be harvested or used as green manure in 2001**, even if they were sown or planted in an earlier year.
- Report the areas **only once**, even if more than one crop will be harvested in 2001.
- Include all field crops on this operation, whether the land is owned, share cropped, rented or leased **from others**.
- Do not include pasture land.
