The purpose of this survey is to collect information on the hog industry. The statistics produced from the survey enable those active in the agricultural sector to observe and assess changes in the industry, measure performance and keep the agricultural community and general public informed of developments.

Statistics Canada is collecting information concerning the farm described on the label. If the operators of this holding manage any other farm(s) entirely separate from this farm (i.e., separate accounting books are kept), please do NOT include any data for the other farm(s) on this questionnaire.

A. When answering the questions, please include as of October 1, 2003 ...
