Dear

**RE: CLOSURE ORDER
MISSISSAUGA LIGHTHOUSE RESTAURANT**

*Visez Santé
dès
aujourd'hui!*

MELDRUM BAY, ON

I am of the opinion, based on reasonable and probable grounds that a health hazard related to lack of potable water exists at Mississauga Lighthouse Restaurant and the requirement specified in this order are necessary to eliminate the health hazard.

Main Office/Bureau principal:
1300 rue Paris Street
Sudbury, ON P3E 3A3
(705) 522-9200
(705) 522-5182

As a result of bacteriological water samples taken on July 5, 2006 the following violation of the Food Premises Regulation 562 was noted;

Branch Offices/Succursales:
101 rue Pine Street East
Box/Boîte 485
Chapleau, ON P0M 1K0
(705) 864-1610
(705) 864-0820

1. Section 20 (1). Every food premise should be provided with,
 - a) a supply of potable water adequate for the operation of the premises.

Medical Building/Édifice médical
91 rue Tudhope Street
Suite/Bureau 202
Espolola, ON P5E 1S6
(705) 869-1271
(705) 869-5583

The reason for the order is that potable water is necessary to maintain disease-free food preparation, proper personal hygiene and sanitation of the premises.

You are hereby advised that this condition constitutes a "health hazard" within the meaning of the Health Protection and Promotion Act, revised Statutes of Ontario, 1990, Chapter H.7.

Old Hospital Building/Édifice de
l'ancien hôpital
6224 Highway/Route 542
Box/Boîte 87
Mindemoya, ON P0P 1S0
(705) 377-4774
(705) 377-5580

"Health hazard" means,

- (a) a condition of a premises
- (b) a substance, thing, plant or animal other than man, or
- (c) a solid, liquid, gas or combination of any of them, that has or that is likely to have an adverse effect on the health of any person;

3 rue King Street
Box/Boîte 58
St. Charles, ON P0M 2W0
(705) 867-0472
(705) 522-9200 x.332
(705) 867-0474

ORDER

Therefore, pursuant to Section 13 of the Act, you are ordered to comply with the following requirements:

1. You are directed to immediately close the premise and remain closed until further notice.
2. You are directed to procure the professional services of a company engaged in water purification and filtration.

*An Accredited Teaching Health Unit
Centre agréé d'enseignement en santé*

.../2

3. You are directed to supply Sudbury & District Health Unit evidence of two clear bacteriological water samples taken 24 hours apart, submitted to an accredited Ministry of the Environment laboratory, from the remediated water supply.
4. You are directed to immediately place a boil water advisory into effect for the Mississauga Lighthouse Campgrounds.

Failure to comply with this Order is an offence to which you may be liable on conviction to a fine of not more than \$5000.00 for every day or part of each day on which the offence occurs or continues. Failure to comply with this Order may also result in charges under the Criminal Code.

You are advised that, pursuant to Section 44 of the Health Protection and Promotion Act, you are entitled to a hearing before the "Health Services Appeal and Review Board", should you wish to dispute this Notice.

A request for a hearing must be served upon the Medical Officer of Health and to the Appeal Board within 15 days after receiving this Notice. This Notice shall be in effect from the time of service unless, after a notice is filed with the Board, a stay is granted.

A Notification for a Hearing should be served personally or by registered mail upon:
