

MANDATE

To provide a watching brief to develop economic opportunities for our companies, including travelling abroad to meet with government and private sector leaders to assist in opening new markets for our products and to report regularly to us in this regard. In this context, priority should be given to opportunities relating to Canadian based manufacturing of peace keeping and/ or peace making military equipment in view of Canada's prominence in this area.

The mandate will be for a period of three years. The fee to cover services and expenses is set at _____ for the period.
