

Fast-Tracked Supportive Housing

Municipalities are partners in the development of supportive housing. The Province will fund pre-development costs to ensure city-owned sites will be ready for construction within a year. Four communities will be targeted initially: Vancouver; Victoria; Surrey; and Kelowna.

► Related successes over the past year

- Purchase of 11 Single Room Occupancy hotels in Vancouver and Victoria to help preserve this important source of affordable housing.
- People found new homes in 225 housing units at 7 new supportive housing developments that completed construction this year.
- A commitment to create more than 2,300 housing units with supports for the homeless.
