

MEMORANDUM

TO: Mary-Ellen Pearce
Trial Coordinator, Criminal Registry

AND TO: Sandra Salvador
Tape Management

FROM: Madam Justice Bennett

RE: ***R. v. Basi, Virk and Basi***
File No. VA 23299
Requests for Transcripts

DATE: May 2, 2007

There is an order excluding witnesses in this case. It would not be appropriate for a potential witness to have a transcript of the Court proceedings. Therefore, any request for a transcript from a non-party must be authorized by me before it may be released. The Court will provide a reason for refusal of access.

Any non-party who has been refused to access to the transcript or tape may make application to the Court via Ms. Pearce advising the Court of the reason for his or her request.

Please ensure all transcribers are aware of this direction.

A handwritten signature in blue ink, appearing to read 'E. Bennett'.

The Honourable Madam Justice Bennett
