Economic Impacts For Water Licence Applications

**Applications for domestic water or small irrigation purposes
(less than 6000m³ (5 AF)/year)
do not need to complete this information.**

In an effort to more fully appreciate the positive impacts of economic development for a wide variety of uses please provide the following information for your water licence application request:

Capital Investment	\$
---------------------------	----

Capital Investment – Reflects the **expenditures** anticipated to be spent in the near future (next 3 years) including:

- Off-site and on-site services that are directly attributable to development related to the water licence (engineering, design, etc.)
- Construction costs directly related to the water licence (pumps, pipes, earthworks, labour, etc.)

Permanent Jobs	
-----------------------	--

Permanent Jobs – Measure of the number of ongoing jobs created in the operating and maintenance of the ongoing water use. Use decimals where appropriate.

This information is required before your water licence application can be processed.
