Listing of Significant Historical Sites and Areas

In force April 1, 2002

The *Listing of Significant Historical Sites and Areas* identifies lands upon which Alberta's most significant historical resources are located.

As of April 1, 2002, all applicants for a "Well License" must check the listing. Should a well be located on lands that are identified within the *Listing of Significant Historical Sites and Areas*, the well requires Historical Resource Act clearance.

The *Listing of Significant Historical Sites and Areas* is available in a booklet format or an electronic version (Microsoft Word).

Each version is \$15 plus GST

Asbestos Abatement Manual

A must for anyone working with Asbestos

This informative manual describes the principles to be followed when selecting the most appropriate technique for the safe abatement of asbestos-containing materials. It provides basic information on asbestos, asbestos products, health hazards, requirements for worker protection, inspection criteria and applicable legislation.

Developed by Human Resources and Employment, the manual presents the best practices in asbestos abatement to be followed in Alberta.

Each copy is \$21.50 plus GST

Specified Penalty Listing Booklet

Includes changes as per the Revised Statutes of Alberta 2000

This handy booklet (updated to January 1, 2002) contains a listing of all the offences under the laws of Alberta having specified penalties prescribed under the Procedures Regulation and the Alberta Fishery Regulations. The Specified Penalty Listing can be purchased on its own for \$10 plus GST or as part of the Enforcement CD ROM or Police Package. Purchasers may choose to receive future issues automatically on standing order.
