Transmission System Capital Plan F2009 to F2018 – Project No. 3698492
Workshop on January 22, 2008**

BCTC filed its Transmission System Capital Plan F2009-F2018 with the British Columbia Utilities Commission (the Commission) on December 21, 2007. The Commission subsequently issued Order No. G-173-07 establishing a Written Public Hearing and Regulatory Timetable.

The purpose of the workshop is to provide an overview of the Transmission System Capital Plan F2009-F2018.

Please contact Ms. Francene Kamal by telephone at (604) 699-7224 or by email at francene.kamal@bctc.com to confirm whether you plan to attend this workshop.
