PARENTS AS 
careercoaches

- ✓ Engage in productive career discussions with your teenager.
- ✓ Better understand today's labour market and the skills today's youth need to succeed.
- ✓ Access career websites and other resources to explore education and work options.

Parents as Career Coaches is a three-session program offered at no cost to parents and guardians of all Nova Scotia high school students. The program equips parents to better assist their kids in making informed and successful education and career choices.
