ALBERTA – QUALITY OF LIFE SECOND TO NONE

Alberta is a province located in western Canada, where the Canadian Rocky Mountains meet the prairies. Alberta has varied landscapes, spectacular scenery, and more days of sunshine than any other province in Canada. Alberta offers a quality of life that is second to none.

Alberta is a vibrant and prosperous province with abundant natural resources and one of the strongest economies in North America.

Alberta is home to a culturally diverse population of over 3 million. Its major cities are Edmonton (the capital), Calgary, Lethbridge and Red Deer. Alberta has safe and clean cities and towns that offer a wide range of recreational, cultural and entertainment opportunities.

Whether you are coming to study, visit or work, Alberta is truly a world-class destination. Students from all over the globe come study in Alberta because of its educational excellence, its high standard of living, its clean and safe cities and its beautiful scenery.

Come discover and experience Alberta, Canada

EXCELLENCE IN EDUCATION

Alberta's world-class post-secondary education system is recognized and respected around the globe. The Alberta government has a strong commitment to providing an education that is learner centred, accessible, responsive and innovative. Albertans are among the most skilled and educated people in North America.

A comprehensive range of high quality programs are delivered in leading edge facilities across the province. Alberta's post-secondary institutions offer academic upgrading, job readiness, apprenticeship, certificate, diploma, university transfer, applied degree and undergraduate and graduate degree programs.

Post-secondary institutions in Alberta offer hundreds of program options. Agriculture, Arts, Business, Communication, Computer and Information Technology, Education, Engineering, Environment, Health Care, Humanities and Languages, Mathematics, Sciences, Social Sciences and Trades and Industry are just some of the wide range of programs available to students.

Alberta is committed to internationalization and providing students with the knowledge and skills required to succeed in the global economy.

Alberta – A world-class education system
