EXPLANATORY NOTES

SECTION 1 revokes the definitions for the terms "financial resources", "liquid assets" and "principal residence". It also adds a definition for the term "assessed income" and drops a reference in another definition to the principal residence of an applicant.

SECTION 2 revokes an unneeded provision that permits the Lieutenant Governor in Council to review the rates of assistance the Lieutenant Governor in Council establishes under the Act.

SECTION 3 clarifies that a person who wishes to obtain financial assistance must submit an application for such assistance to the Director. The section also corrects a reference to a provision of the Act and indicates that an applicant is required to supply such information, in support of an application, as is required by the Director.

The section requires the applicant to submit certain taxation returns and notices of assessment with his or her application, but also indicates that a failure to supply such documents does not render the person ineligible for financial assistance.

SECTION 4 amends a provision that currently requires the Director to examine the financial resources of an applicant. The amendments in this section switch the focus to the income and assessed income of the applicant.

SECTION 5 replaces the provision in the regulations that sets out the rule governing the determination of when a person is a “person in need”. The new provision drops the current references to the “costs of care” and to the “value of the financial resources” of the applicant. Under the new provision the test for need is whether the amount of accommodation assistance needed by an applicant exceeds the applicant’s assessed income.

SECTION 6 replaces most of the current provision dealing with the calculation of the financial resources of the applicant. The amendments in this section set out a rule for determining the assessed income of an applicant on the basis of the taxation documents provided by the applicant.

SECTION 7 indicates which types of income of an applicant are not to be included in the determination of the applicant’s assessed income.

SECTION 8 amends the provision under which the Director grants financial assistance. The amendments delete wording in the provision that indicates that the assistance is granted for care and room and board and that the assistance constitutes a debt due to the government. The section also makes some amendments to clarify that the Director shall reassess a person’s eligibility for assistance when there is a change in his or her financial situation. The section clarifies that the Director shall bill an applicant for any assistance provided during a period when the applicant was not a person in need.

SECTION 9 indicates that the Director may refuse to grant financial assistance to an applicant where the applicant has transferred or reduced income within two years of the date of his or her application for assistance.

SECTION 10 revokes the current provision requiring an applicant to enter into an agreement concerning the repayment of assistance.

SECTION 11 requires the Director to determine the amount of debt due by an applicant to the government where the applicant receives financial assistance when the applicant is no longer a person in need or no longer requires the same level of assistance.

SECTION 12 provides for the commencement of these regulations.

Contact Name:

Contact Phone Number:

Contact e-mail Address:

Type of Establishment: Fixed Roof Campground

Notes:

If your establishment consists of both a fixed roofed accommodation and campground, you must file a separate return for each.

Section 3 – Supply of Accommodation Units Available This Month

A. Number of accommodation units available:

B. Number of nights establishment open this month:

Total supply of units available this month: A x B =

Example to calculate units available: If a cottage establishment has 10 cottages available, then the number of units available should be 10. Section 4 – Nights Rented and Geographic Origin Data				
Please provide the number of accommodation-unit nights rented by geographic origin.
